V.P. of Operations elected as Secretary to the Executive Board of the National Association for Information Destruction – FOR IMMEDIATE RELEASE

Maumee, OH – March 23, 2011. Thomas Huth, Senior Vice President of Operations at Allshred Services, was recently appointed to the Executive Board of the National Association for Information Destruction (NAID) as its secretary. As the NAID secretary Mr. Huth will be responsible for the communications from the monthly conference call meetings and report back the minutes to all members of the Executive Board & Board of Directors. The Executive Board itself as a whole is responsible for advancing the current guidelines of the information destruction industry and will help in discerning and developing the latest industry trends. “NAID is the heart of the information destruction world. It is my goal as the secretary to strengthen the role of NAID and to continue to promote the organization as a tool to protect businesses across the world,” commented Thomas Huth. Mr. Huth was elected in 2009 to the Board of Directors for a two year term and now takes over as Secretary of the Executive Board, for a one year term effective immediately. The appointment took place at the recently held 2011 Annual NAID Conference in Orlando, FL.

NAID is the international trade association for companies providing information destruction services. NAID sets forth the strictest guidelines for information destruction and offers a certification program for its members that meet these guidelines. The NAID Certification Program establishes standards for a secure destruction process including such areas as operational security, employee hiring and screening, the destruction process, responsible disposal and insurance. NAID's mission is to promote the information destruction industry and the standards and ethics of its member companies.

Allshred Services is a provider of confidential, secure document destruction services. Allshred specializes in designing and implementing efficient, cost-effective data destruction programs. Allshred is the largest independent shredding company in the country. They have diverse destruction capabilities that include not only paper products, but also CD-Rom diskettes, computer reel tapes, counterfeit clothing, other counterfeit products, contraband, R&D designs, molds and any other material that could be used to cause potential harm to a company or an individual. For more information on our services visit www.allshredservices.com.
